PROFESSIONAL EXPERIENCE

KPMG (through MBO) — Remote, Antioch, IL **AML Investigations Analyst | Apr 2024 – Mar 2025**

- Identified structuring, rapid movement, and layering patterns across multi-account networks, driving SAR decisions that reduced exposure to high-risk activity.
- Integrated data from internal banking systems and third-party monitoring tools such as Actimize and LexisNexis to build regulator-ready case files.
- Served as criminal-risk SME, advising senior managers on typologies involving high-velocity movement and cross-border activity.
- Built SOPs and training modules that cut onboarding time by 30% and standardized documentation.
- Coordinated with law enforcement and peer FIs on multi-jurisdictional cases.
- Produced dashboards and trend analyses that informed risk scoring adjustments.

PwC (through MBO) — Remote, Antioch, IL **AML Investigations Analyst | Dec 2022 – Jun 2023**

- Analyzed high-risk transactional behavior (ACH, wires, P2P, cash) to identify patterns requiring escalation and SAR filing.
- Conducted deep-dive research using internal systems and OSINT to validate customer activity.

- Drafted regulator-aligned SAR narratives with strong chronology and risk framing.
- Exceeded weekly production targets while maintaining 98–100% quality scores.

HSBC Bank NA — Arlington Heights, IL
AML Investigations Analyst | Mar 2013 – Dec 2020

- Investigated high-dollar correspondent banking wires, trade finance transactions, and retail alerts using CAMP and Norkom.
- Documented full investigative lifecycle in alignment with OCC/FRB expectations.
- Researched multi-source data to validate customer activity and escalate high-risk cases.
- Supported SAR filings by synthesizing complex transaction flows into clear narratives.

United States Marine Corps — Various Locations
Commercial Vehicle Inspector / Facility Supervisor | Oct 2003 – Mar 2013

- Led 13-person security team conducting 50,000+ inspections, resulting in 30 detentions and 20+ prosecutions.
- Coordinated rapid-response operations during bomb alerts, managing area clearance and EOD collaboration.
- Enforced security protocols across high-risk checkpoints.
