Hiring Manager

Byline Bank

Dear Hiring Manager,

I am writing to express my interest in the BSA Analyst position at Byline Bank. With more than a decade of experience conducting AML investigations, performing Enhanced Due Diligence (EDD) reviews, and ensuring compliance with BSA/AML, OFAC, and USA PATRIOT Act requirements, I bring a strong investigative foundation and a disciplined, detail-driven approach that aligns directly with the needs of your compliance program. My background in financial crime analysis, combined with my service as a U.S. Marine Corps Veteran, has equipped me with the analytical rigor, integrity, and sound judgment essential for this role.

Throughout my career at KPMG, PwC, and HSBC, I have conducted comprehensive reviews of high-risk customers, dispositioned complex alerts, and drafted regulator-ready Suspicious Activity Reports (SARs). My work has included onboarding reviews of high-risk entities, including FinTechs, payment processors, and crypto-related businesses—experience that directly mirrors Byline Bank's focus on emerging-risk client types. I have also supported OFAC/sanctions screening, performed SAR follow-up reviews, and assisted with 314(a)/314(b) processes, Grand Jury Subpoena research, and audit/exam preparation. These responsibilities have strengthened my ability to interpret financial activity, assess customer risk, and communicate findings clearly and effectively across business units.

I am particularly drawn to Byline Bank's reputation as an award-winning workplace and its commitment to collaboration, innovation, and community impact. The opportunity to contribute to a compliance program that values both operational excellence and continuous improvement is deeply motivating. I take pride in producing accurate, well-documented investigative work and in supporting a culture of strong regulatory compliance. My experience working with confidential information, managing competing priorities, and partnering with stakeholders at all levels positions me to add immediate value to your team.

I would welcome the opportunity to bring my investigative expertise, risk-focused mindset, and commitment to regulatory integrity to Byline Bank. Thank you for your time and consideration. I look forward to the possibility of contributing to your BSA/AML program and supporting the bank's mission to serve its customers and communities with excellence.

Sincerely,

Francisco J. Peralta
