SUMMARY

Process Manager and Military Veteran with over 16 years of collective experience in counterterrorism operations, law enforcement/public safety, and anti-money laundering (AML) investigations within the Department of Defense and banking/financial services sectors. Holds an Inactive Secret Security Clearance and is fluent in English and Spanish. Proven expertise in stakeholder management, cross-functional prioritization, and compliance with BSA/AML/OFAC/USA PATRIOT Act regulations.

CORE COMPETENCIES

- **Stakeholder & Relationship Development:** Exceptional oral and written communication skills with a track record of developing key internal and external partnerships, mentoring junior team members, and fostering collaborative environments.
- **Program Oversight & Process Management:** Extensive experience in managing standardized workflow processes and short-term initiatives that support financial crimes investigations, with a focus on operational efficiency and continuous improvement.
- **Technical Proficiency & Data Analysis:** Advanced expertise in transaction monitoring systems (Norkom, Jack Henry, NICE Actimize), statistical software, and Microsoft Office Suite. Skilled in applying Enhanced Due Diligence (EDD) and Customer Due Diligence (CDD) methodologies across diverse datasets.
- **AML/BSA Compliance & Investigations:** In-depth knowledge of regulatory frameworks and a strong record of conducting high-quality AML investigations, EDD assessments, SAR writing, and maintaining comprehensive case documentation.
- **Operational Efficiency & Project Management:** Demonstrated ability to analyze internal processes, recommend procedural improvements, and execute strategic projects that enhance risk management across multifaceted banking operations.

PROFESSIONAL EXPERIENCE

KPMG through MBO – Remote, Antioch, IL

AML Investigations Analyst | Apr 2024 – Mar 2025

- Conducted comprehensive investigations into suspicious financial activities, such as rapid fund movements and structured cash deposit patterns, to identify exposures to potential financial crimes.
- Utilized automated monitoring tools together with manual reviews to evaluate, document, and escalate cases per established standard operating procedures.
- Served as a subject matter expert in criminal risk, applying an intelligence-based approach to detect money laundering and fund layering patterns; provided strategic recommendations to senior management and cross-functional teams.
- Built and maintained effective relationships with internal teams and external agencies (including law enforcement and other financial institutions) to support multi-jurisdictional investigations.
- Developed tools, best practices, and training programs that streamlined investigation processes and enhanced the accuracy of risk assessments.
- Integrated data from multiple systems to produce comprehensive reports, dashboards, and case files; conducted trend analyses to refine investigative techniques.
- Prepared detailed incident reports and case documentation to support compliance initiatives and align with service level agreements.

PWC through MBO – Remote, Antioch, IL

AML Investigations Analyst | Dec 2022 – Jun 2023

- Performed in-depth analysis of transactional data to identify suspicious activity, including potential fraud and money laundering patterns.
- Pulled and scrutinized transactional records from bank systems and conducted extensive internal and external research on customer activities.
- Investigated findings to determine case escalation for SAR filing, drafting detailed SAR narratives as required.
- Efficiently managed daily and weekly alert workflows, consistently achieving clearance targets while reporting production metrics to team leads.

HSBC Bank NA – Arlington Heights, IL

AML Investigations Analyst | Mar 2013 – Dec 2020

- Conducted investigations of high-dollar correspondent banking wire transactions, trade finance, and retail banking alerts using both automated (CAMP, Norkom) and manual approaches.
- Thoroughly documented the investigative process per departmental standard operating procedures, ensuring appropriate supporting documentation for all case closures and alert dismissals.
- Researched multiple data sources to identify evidence of potential money laundering and other financial crimes, ensuring accurate escalation and SAR filing per regulatory guidelines.

United States Marine Corps – Various Locations

Commercial Vehicle Inspector Facility Supervisor | Oct 2003 – Mar 2013

- Supervised and directed up to 13 security specialists during more than 50,000 systematic commercial vehicle inspections, achieving 30 detentions and over 20 successful prosecutions related to narcotics or illegal substances.
- Coordinated rapid security responses during military working dog “bomb alerts,” including area clearance, suspect detention, and successful resolution in collaboration with Explosive Ordnance Disposal teams.

EDUCATION & TRAINING

- **Prince William County Criminal Justice Academy**, Prince William, VA
- **Staff Non-Commissioned Officers Academy**, Quantico, VA
- **Military Police Course**, Fort Leonard Wood, MO
- **Elmont Memorial High School**, Elmont, NY
