SUMMARY

AML Investigator & SAR Writer with 10+ years of experience conducting end-to-end financial crime investigations, analyzing high-risk transactional behavior, and producing regulator-ready SARs. Skilled in transaction monitoring, KYC/EDD review, alert disposition, and documenting clear investigative findings. Brings a structured, intelligence-driven approach shaped by military experience and extensive FIU casework. Proven ability to work independently in remote environments while maintaining high production and quality standards.

CORE EXPERTISE

SAR Writing • AML Investigations & Transaction Monitoring • AML Investigations • Risk Escalation • Regulatory Alignment (BSA/AML, OFAC, FATF) • Data Analysis & Pattern Recognition • EDD/CDD/KYB • Cross-Functional Collaboration • PEP Reviews • Process Optimization

TECHNICAL TOOLS

Actimize • Norkom • CAMP • LexisNexis • CLEAR • OSINT Tools • Internal FIU Systems

PROFESSIONAL EXPERIENCE

KPMG (through MBO) — Remote, Antioch, IL **AML Investigations Analyst | Apr 2024 – Mar 2025**

- Conducted end-to-end AML investigations involving rapid fund movement, structuring, and layering across multi-account networks.
- Reviewed alerts generated by automated monitoring systems and performed deep-dive analysis of customer activity, KYC information, and transactional patterns.
- Drafted clear, chronological SAR narratives aligned with regulatory expectations and internal standards.
- Integrated data from Actimize, LexisNexis, and internal FIU systems to build complete case files and support escalation decisions. Served as a criminal-risk SME, advising teams on typologies involving cross-border activity and high-velocity movement.

- Developed SOPs and training materials that improved documentation consistency and reduced onboarding time.
- Produced trend analyses and dashboards to support risk scoring and investigative prioritization.

PwC (through MBO) — Remote, Antioch, IL
AML Investigations Analyst | Dec 2022 – Jun 2023

- Investigated ACH, wire, P2P, and cash activity to identify suspicious behavior requiring escalation or SAR filing.
- Analyzed customer profiles, account history, and transactional flows to determine whether activity aligned with expected behavior.
- Conducted OSINT and negative news research to validate customer activity and identify financial crime exposure.
- Drafted regulator-aligned SAR narratives with strong chronology, clarity, and risk framing.
- Managed daily alert queues while consistently meeting production targets and maintaining high quality scores.

HSBC Bank NA — Arlington Heights, IL
AML Investigations Analyst | Mar 2013 – Dec 2020

- Performed end-to-end investigations of high-dollar correspondent banking wires, trade finance transactions, and retail alerts.
- Analyzed customer activity, KYC/EDD information, and multi-source data to identify money laundering, fraud, and other financial crime indicators.
- Documented investigative steps, findings, and escalation rationale in alignment with OCC and FRB expectations.
- Supported SAR filings by synthesizing complex transaction flows into clear, regulator-ready narratives.
- Ensured adherence to internal policies, regulatory requirements, and audit standards.

United States Marine Corps — Various Locations
Commercial Vehicle Inspector / Facility Supervisor | Oct 2003 – Mar 2013

- Led 13-person security team conducting 50,000+ inspections, resulting in 30 detentions and 20+ prosecutions.
- Coordinated rapid-response operations during bomb alerts, managing area clearance and EOD collaboration.
- Enforced security protocols across high-risk checkpoints.
