- Enhanced Due Diligence (EDD) / Customer Due Diligence (CDD)
- Regulatory Compliance (BSA, OFAC, FinCEN)
- Report Writing & Case File Documentation
- Financial Crime Risk Assessment & Mitigation
- Data Analysis, Trend Identification & Pattern Recognition
- Stakeholder Collaboration
- Process Optimization & Training Development
- Multi-System Research & Evidence Collection

PROFESSIONAL EXPERIENCE

KPMG through MBO – Remote, Antioch, IL

AML Investigations Analyst | Apr 2024 – Mar 2025

- Conducted comprehensive investigations into suspicious financial activities, such as rapid fund movements and structured cash deposit patterns, to identify and report instances of exposures to potential financial crimes.
- Utilized automated monitoring tools together with manual reviews to evaluate, document, and escalate cases per established standard operating procedures.
- Served as a subject matter expert in criminal risk, applying an intelligence-based approach to detect money laundering and fund layering patterns; provided strategic recommendations to senior management and cross-functional teams.
- Built and maintained effective relationships with internal teams and external agencies (including law enforcement and other financial institutions) to support multi-jurisdictional investigations.
- Developed tools, best practices, and training programs that streamlined investigation processes and enhanced the accuracy of risk assessments.
- Integrated data from multiple systems to produce comprehensive reports, dashboards, and case files; conducted trend analyses to refine investigative techniques.
- Prepared detailed incident reports and case documentation to support compliance initiatives and align with service level agreements.

PWC through MBO – Remote, Antioch, IL

AML Investigations Analyst | Dec 2022 – Jun 2023

- Performed in-depth analysis of transactional data to identify suspicious activity, including potential fraud and money laundering patterns.
- Pulled and scrutinized transactional records from bank systems and conducted extensive internal and external research on customer activities.
- Investigated findings to determine case escalation for SAR filing, drafting detailed SAR narratives as required.
- Efficiently managed daily and weekly alert workflows, consistently achieving clearance targets while reporting production metrics to team leads.

HSBC Bank NA – Arlington Heights, IL

AML Investigations Analyst | Mar 2013 – Dec 2020

- Investigated high-risk activity across correspondent banking, trade finance, and retail channels, including securities-adjacent wire activity and transfers into investment accounts.
- Identified patterns consistent with layering, structuring, and potential market-linked manipulation, escalating cases aligned with FINRA and BSA/AML expectations.
- Analyzed customer activity involving large incoming/outgoing wires tied to brokerage accounts, third-party transfers, and cross-border fund movements.
- Conducted research on entities involved in microcap securities, offshore investment vehicles, and high-risk trading behaviors, supporting SAR escalation decisions.
- Documented investigations with regulator-ready detail, ensuring clear articulation of suspicious activity, risk drivers, and potential securities-related exposure.
- Collaborated with internal partners to validate ACAT-like transfer patterns, unusual funding sources, and activity inconsistent with customer investment profiles.

United States Marine Corps – Quantico, VA

Commercial Vehicle Inspector Facility Supervisor | Oct 2003 – Mar 2013

- Supervised and directed up to 13 security specialists during more than 50,000 systematic commercial vehicle inspections, achieving 30 detentions and over 20 successful prosecutions related to narcotics or illegal substances.
- Coordinated rapid security responses during military working dog “bomb alerts,” including area clearance, suspect detention, and successful resolution in collaboration with Explosive Ordnance Disposal teams.
