SUMMARY

Accomplished BSA/AML Investigator and U.S. Marine Corps Veteran with 16+ years of combined experience in financial crime investigations, high-risk customer reviews, and regulatory compliance. Proven expertise in EDD, CDD, CIP, OFAC/sanctions screening, SAR drafting, and dispositioning BSA/AML alerts across multiple product lines. Adept at analyzing complex financial activity, assessing customer risk, and producing regulator-ready documentation aligned with BSA, USA PATRIOT Act, and OFAC requirements. Skilled in cross-functional collaboration, case management, and supporting audits, exams, and 314(a)/314(b) information sharing. Holds an inactive Secret Security Clearance; fluent in English and Spanish.

- AML Case Investigations & Transaction Monitoring
- Enhanced Due Diligence (EDD) / & High-Risk Customer Reviews
- Regulatory Compliance (BSA, OFAC, FinCEN)
- Report Writing & Case File Documentation
- Financial Crime Risk Assessment & Mitigation
- Data Analysis, Trend Identification & Pattern Recognition
- Cross-Functional Communication & Stakeholder Collaboration
- Process Optimization & Training Development
- Multi-System Research & Evidence Collection

PROFESSIONAL EXPERIENCE

KPMG through MBO – Remote, Antioch, IL

AML Investigations Analyst / Apr 2024 – Mar 2025

- Conducted EDD reviews and ongoing monitoring of high-risk customers, validating customer risk ratings and identifying changes in risk exposure.
- Investigated complex financial activity using case management systems, dispositioning alerts and documenting findings in accordance with BSA/AML and OFAC program requirements.
- Completed SARs and investigative reports (SAIRs), including follow-up reviews on previously filed SARs to assess continued suspicious activity.
- Supported OFAC/sanctions compliance by analyzing potential name matches, conducting secondary reviews, and documenting disposition rationale.
- Reviewed onboarding documentation for high-risk clients, including FinTechs, payment processors, and crypto-related businesses, assessing AML Program strength and independent review results.
- Performed research related to subpoenas, external inquiries, and multi-jurisdictional investigations, ensuring proper evidence collection and documentation.
- Assisted with audit and exam preparation by compiling case files, investigative summaries, and control documentation.
- Collaborated with business units to obtain required documentation and clarify customer activity, ensuring timely and accurate case resolution.

PWC through MBO – Remote, Antioch, IL

AML Investigations Analyst / Dec 2022 – Jun 2023

- Reviewed and dispositioned BSA/AML alerts involving unusual account activity, structuring indicators, and potential fraud or money laundering.
- Conducted CDD/EDD research using internal systems, OSINT, and third-party data sources to assess customer risk and support investigative conclusions.
- Drafted SAR narratives aligned with FinCEN requirements and internal policy standards.
- Supported 314(b) information sharing by validating requests and coordinating with internal stakeholders.
- Managed alert queues and production targets while maintaining high accuracy and documentation quality.

- Communicated with business lines to obtain missing documentation and clarify customer activity patterns.

HSBC Bank NA – Arlington Heights, IL

AML Investigations Analyst | Mar 2013 – Dec 2020

- Conducted in-depth investigations across correspondent banking, retail, and securities-adjacent channels, analyzing wires, ACH, cross-border transfers, and third-party transactions.
- Performed EDD reviews on high-risk customers, including offshore entities, microcap securities participants, and complex business structures.
- Identified suspicious activity related to layering, structuring, market manipulation, and unusual investment-related funding patterns.
- Prepared SARs and investigative summaries with regulator-ready detail, documenting risk drivers, customer profiles, and investigative outcomes.
- Supported OFAC/sanctions screening by reviewing potential matches and escalating confirmed hits.
- Assisted with audit and exam requests by compiling case documentation and investigative evidence.
- Coordinated with internal partners to validate ACAT-like transfers, unusual funding sources, and activity inconsistent with customer profiles.

United States Marine Corps – Quantico, VA

Commercial Vehicle Inspector Facility Supervisor | Oct 2003 – Mar 2013

- Supervised and trained a team of 13 security specialists conducting more than 50,000 systematic inspections, ensuring compliance with federal security protocols.
- Conducted investigations resulting in 30 detentions and over 20 successful prosecutions involving narcotics and illegal substances.
- Managed evidence handling, chain-of-custody documentation, and coordination with law enforcement and EOD teams.

- Maintained strict adherence to confidentiality, operational security, and investigative integrity.
