PROFESSIONAL EXPERIENCE

KPMG (through MBO) — Remote, Antioch, IL **AML Investigations Analyst | Apr 2024 – Mar 2025**

- Investigated AML, sanctions, and PEP/EDD alerts involving high-velocity ACH, wires, and cross-border activity.
- Closed 35–50 cases per week and drafted 5–7 regulator-ready SARs, primarily involving structuring, take-back deposits, unknown commercial-purpose wires, rapid movement, and other BSA violations.
- Integrated data from internal systems, Actimize, and LexisNexis to build regulator-ready case files and support partner bank requests.
- Identified complex money-movement patterns across multi-account networks, including layering, funneling, and cross-jurisdictional risk indicators.

- Maintained 98.6–99% QA scores by applying feedback, maintaining precise documentation, and producing clear chronology and risk articulation.
- Served as typology SME for high-velocity movement, sanctions-adjacent activity, and cross-jurisdictional risk.
- Contributed to process improvements, documentation updates, and workflow optimization to strengthen AML and sanctions controls.

PwC (through MBO) — Remote, Antioch, IL
AML Investigations Analyst | Dec 2022 – Jun 2023

- Analyzed high-risk transactional behavior (ACH, wires, P2P, cash) to identify patterns requiring escalation and SAR filing.
- Conducted deep-dive research using internal systems and OSINT to validate human intelligence referrals/EDD.
- Drafted 5–7 regulator-aligned SAR narratives with strong chronology and risk framing.
- Exceeded weekly production targets while maintaining 98–100% quality scores.

HSBC Bank NA — Arlington Heights, IL
AML Investigations Analyst | Mar 2013 – Dec 2020

- Investigated AML and sanctions risk across HSBC's Payments & Cash Management (PCM) business, including high-value wires, correspondent banking, trade finance, and treasury flows.
- Reviewed sanctions and PEP alerts tied to global payments, escalating true matches and supporting SAR filings.
- Conducted EDD on high-risk customers and payment counterparties, validating activity across multi-jurisdictional flows.
- Synthesized complex payment flows into clear, regulator-ready narratives for SAR submissions.
- Collaborated with PCM operations and compliance teams to resolve payment-related escalations and identify emerging typologies.

United States Marine Corps — Various Locations
Commercial Vehicle Inspector / Facility Supervisor | Oct 2003 – Mar 2013

- Led 13-person security team conducting 50,000+ inspections, resulting in 30 detentions and 20+ prosecutions.
- Coordinated rapid-response operations during bomb alerts, managing area clearance and EOD collaboration.
- Enforced security protocols across high-risk checkpoints.
